AUCTION No. 100

The lots in this Auction come from various members so the descriptions differ in detail.

*Do not assume that a lot is any better than described.*

## **BIDS MUST BE RECEIVED BY TUESDAY 21 APRIL 2015**

1. BIDS - Postal bids must be on the Bid Form or a photocopy or facsimile. All details must be provided unless marked "optional". Email bids may be made and will be deemed to conform with the stated conditions. Telephone bids will not be accepted.
2. PRECEDENCE OF BIDS - Email bids will not be registered prior to the receipt of the first postal bid, when all bids then received will be randomly recorded.
3. SUCCESSFUL BIDS - Lots will be sold to the highest bidder. The price will be either the bid made or one more bid step than the next highest bid, whichever is lower. If only one bid is received, the lot will be sold at the reserve price.
4. BUY BIDS - Will not be accepted.
5. TOTAL LIMIT ON BIDS - Members may place a spending limit which is less than the total amount of their bids. Any limit must be stated on the Bid Form. Once the limit has been reached, all subsequent bids will be ignored. Bids must be listed in order of preference using the numbered boxes in the Bid Form column 4 "Serial No."
6. DESPATCH OF LOTS - This will start 2/3 weeks after the closing date and 2nd Class post will be used unless otherwise stated on the Bid Form or otherwise at the Auctioneer's discretion. Postage and packing will be charged to the buyer. Unsuccessful bidders will be notified.
7. PAYMENT - An invoice will be sent to each Bidder with payment procedure.
8. REJECTED LOTS - Any item which does not appear to conform to its description must be returned within 24 hours of receipt. The reason for the non-acceptance must be stated and a Certificate of Posting should be obtained. A full refund will be given for lots mis-described.
9. BIDDERS' PREMIUM. - **There is no buyers' premium.**

# Welcome to Auction No. 100

As always, this is a very mixed auction.

**Please read all the terms and conditions before you bid.**

Help and further details of any lot can be provided but please consider the relative cost of the lot and the time and effort needed to answer an enquiry.

## BID STEP 10p

**Intermediate amounts will be shown as the next lowest Bid Step.**

***All lots are GB unless otherwise stated.***

***All reserves are in GBP (£) - NOTE: future minimum reserve is £1.00***

Please note that this auction is primarily a clearance of older material - as well as establishing a new style appropriate to our new computer system.

Please let Sean Brady know what you like, what you don't like and what you'd like to have included in future auction catalogues. All comments welcome.
